## Liquid Multivitamin with Iron Supplement

If you have any questions concerning your child's supplement needs, please consult your child's physician.

*The American Academy of Pediatrics (AAP) recommends using a vitamin D supplement for exclusively and partially breastfed babies because of the low average levels of vitamin D in breast milk.*

POLY-VITE Drops with IRON is designed to help meet the nutritional needs of your growing infant or toddler.\*

POLY-VITE Drops with IRON is an ideal multivitamin supplement during your child's transition to solid foods, during growth spurts, or for the picky eater.

One daily dose of POLY-VITE Drops with IRON has multi vitamin and iron with Natural fruit flavored.

POLY-VITE Drops with IRON is gluten-free, lactose-free and contain no artificial colors.

\* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**WARNING:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
