

CHERATUSSIN AC- codeine phosphate and guaifenesin liquid
Rebel Distributors Corp

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Cheratussin AC

CV

Active ingredients (in each 5 mL = 1 tsp)

Codeine phosphate, USP 10 mg

Guaifenesin, USP 100 mg

Purpose

Cough suppressant

Expectorant

Uses

- temporarily relieves cough due to minor throat and bronchial irritation as may occur with a cold
- helps loosen phlegm (mucus) and thin bronchial secretions to make coughs more productive
- calms the cough control center and relieves coughing

Warnings

Do not use

- in a child under 2 years of age
- if you or your child has a chronic pulmonary disease or shortness of breath
- if your child is taking other drugs, unless directed by a doctor

Ask a doctor before use if you have

- cough that occurs with excessive phlegm (mucus)
- cough that lasts or is chronic such as occurs with smoking, asthma, chronic bronchitis, or emphysema

When using this product constipation may occur or be aggravated

Stop use and ask a doctor if cough lasts more than 7 days, comes back or is accompanied by fever, rash, or persistent headache. These could be signs of a serious condition.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- take every 4 hours
- do not take more than 6 doses in any 24-hour period

adults and children 12 years and over	take 10 mL (2 tsp)
children 6 years to under 12 years	take 5 mL (1 tsp)
children 2 years to under 6 years	consult a doctor
children under 2 years	do not use

Attention: A special measuring device should be used to give an accurate dose of this product to children under 6 years of age. Giving a higher dose than recommended by a doctor could result in serious side effects for your child.
