-----

**Fungicure Anti-Fungal Wash**

**Active ingredient**

Sepia 12x

**Purpose**

Antifungal treatment

**Uses**

For the treatment of most

- jock itch (tinea cruris)
- ringworm (tinea corporis)
- athlete's foot (tinea pedis)
- tinea versicolor

For relief of:

- itching
- scaling
- cracking
- burning
- redness
- soreness
- irritation
- discomforts which may accompany these conditions.

**Warnings**

**For external use only**

**Ask a doctor before use** on children under 2 years of age.

**When using this product** avoid contact with the eyes. If contact occurs rinse thoroughly with water.

**Stop use and ask a doctor if**

- irritation occurs
- there is no improvement within 2 weeks (4 weeks for ringworm, athlete's foot and

tinea versicolor).

**Keep out of reach of children.** If swallowed, get medical help or contact a poison control center right away.

### **Directions**

- Read all package directions and warnings before use.
- Use only as directed.
- Clean the affected area with Fungicure Anti-Fungal Wash and warm water, rinse and dry thoroughly.
- For best results, leave on for 1-2 minutes before rinsing and drying.
- Use twice daily (morning and night), or as directed by a doctor.
- **This product is not effective on scalp or nails.**
- For jock itch, use daily for 2 weeks.
- For ringworm, tinea versicolor and athlete's foot, use daily for 4 weeks. If condition persists longer, consult a doctor.
- For athlete's foot: pay special attention to spaces between the toes; wear well-fitting, ventilated shoes, and change shoes and socks at least once daily.
- Intended for use by normally healthy adults only.
- Persons under 18 years of age or those with highly sensitive or allergic skin should use only as directed by a doctor.
- Supervise children in the use of this product.
