Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active ingredient

Salicylic acid 1%

Purpose

Acne treatment

Uses

treats and helps prevent acne

Warnings

For external use only

When using this product

- keep away from eyes. If contact occurs, flush thoroughly with water.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

If pregnant or breast-feeding

ask a health professional before use.

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- lather onto skin, thoroughly cleansing areas prone to breakouts, then rinse well
- because too much drying of the skin may occur, start with 1 use, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce usage to once a day or every other day

Inactive ingredients

acrylates copolymer, aloe barbadensis leaf juice, anhydrous citric acid, benzoic acid, butylene glycol, cocamidopropyl betaine, dehydroacetic acid, edetate disodium, FD&C yellow no. 6, ficus carica (fig) fruit extract, fragrance, glycerin, jojoba esters, panthenol, phenoxyethanol, polyethylene, potassium C12-13 alkyl phosphate, purified water, sodium C14-16 olefin sulfonate, trolamine
