Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Walgreens Pink Eye Remedy

Active Ingredient

Belladonna 6X*

Enter section text here

*containing 0.000002% alkaloids calculated as hyoscyamine

Purpose

redness, burning, sensation of grittiness

Active Ingredient

Euphrasia 6X

Purpose

watery discharge

Active Ingredient

Hepar sulphuris 12X

Purpose

redness, stinging

Uses

According to homeopathic principles, the active ingredients in this medication temporarily relieve minor symptoms associated with viral and environmental conjunctivitis such as:

- redness of the whites of the eyes and inner eyelids
- excessive watery (clear) discharge
- sensation of grittiness
- redness and burning

Warnings

- For external use only.
- Children under 2 years of age should be seen by a physician.
- Initial exacerbation of symptoms may occur.
- Use only if bottle seal is intact.
- To avoid contamination, do not touch the tip of the container to any surface.
- Use within 30 days of opening. Expiration date only refers to unopened bottle.

- Replace cap tightly after every use.
- Contact wearers: consult a physician prior to using.
- The use of this container by more than one person may spread infection.
- Keep this and all medicines out of the reach of children
- If swallowed, get medical help or contact a Poison Control Center right away.

Do Not Use

- if you are experiencing a thick, white, yellow, or green discharge that forms a crust on the eyelid
- if the solution changes color or becomes cloudy
- if you experience eye pain or changes in vision
- if you frequently contract infections that do not clear up easily

Stop use and ask a doctor if

- symptoms worsen or persist for more than 72 hours
- changes in vision occur
- you might have a serious underlying medical cause for the infection

Directions

For adults and children ages 2 and over:

- remove tamper-evident seal from neck of bottle
- twist cap off bottle
- squeeze plastic tip to release 2-3 drops into eye
- apply as needed
- replace cap after use

Other Information

Active ingredients are manufactured according to homeopathic principles and are therefore non-toxic and have no known side effects.

Inactive ingredients

Borate buffer, Purified water, Silver sulphate (as preservative), Sodium nitrate
