Neutrogena Stubborn Body Acne Treatment Spray

Drug Facts

Active ingredient

Salicylic Acid 2%

Purpose

Acne treatment

Use

- For the treatment of acne

Warnings

For external use only. Flammable: Keep away from fire or flame.

When using this product

- Avoid contact with eyes. If contact occurs, immediately flush with water.
- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive ingredients

Water, Alcohol Denat., Butylene Glycol, PPG-5-Ceteth-20, C12-15 Alkyl Lactate, Sodium citrate, Cocamidopropyl PG-Dimonium Chloride Phosphate, Benzalkonium Chloride, Cetyl Lactate, Sodium Benzotriazolyl Butylphenol Sulfonate, Disodium EDTA, Sodium Hydroxide, Glycolic Acid

Other information

- Store at room temperature.
- **Sunburn Alert:** This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterwards.
