IMMORTELLE - *Bellis perennis*

Immortelle is a flower with exceptional longevity: it never fades, even after it has been picked. Its organic essential oil is rich in active molecules offering unique anti-aging results.

Bellis perennis, the wild daisy flower, opens its petals each day with the sunrise and closes them at dusk. It has remarkable brightening properties for the skin.

The Brightening Shield SPF40 offers triple action benefits* to help minimize the appearance of wrinkles, unify the complexion and protect skin against UV rays**:

- **smoother skin:** the anti-aging properties of Immortelle essential oil help reduce the appearance of wrinkles and leave skin feeling firmer.
- **more even-toned skin:** This formula helps prevent the appearance of sun-induced dark spots due to the UV filter, and *Bellis perennis* extract helps unify and brighten the complexion.
- **protected skin:** a UV filter of mineral origin helps protect skin against sun rays. Formulated with sunflower, ivy and rice loaf extracts, this UV shield contributes to protect skin against the harmful effects of pollution.

Skin feels smoother, complexion looks more luminous and even, glowing with natural youth.

Visible results**:

- Complexion looks more luminous (71%).
- After 7 days, skin appears smoother (82%), it better reflects light (79%).
- After 4 weeks, skin seems better protected from aging (68%).

** In vivo test: satisfaction test on 28 women over 4 weeks.

Apply each morning to face and neck, after the daily moisturizer. Shake before use. Avoid contact with eyes.

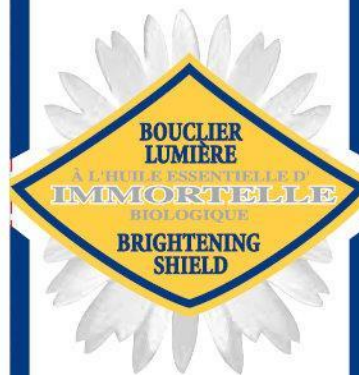

Tested under dermatological supervision. Non-comedogenic.

* In vitro tests on ingredients.

Protects, evens and brightens

30 ml Made in France 1 fl.oz.

IMMORTELLE - *Bellis perennis*

L'Immortelle est une fleur d'une exceptionnelle longévité: elle ne fane jamais, même après être cueillie. Son huile essentielle biologique est riche en molécules actives aux résultats cosmétiques anti-âge uniques.

La *Bellis perennis*, plus connue sous le nom de pâquerette, est une fleur de lumière: ses pétales s'ouvrent chaque matin au lever du soleil et se referment à la tombée de la nuit. Sa fleur délivre un extrait éclaircissant.

Le Bouclier Lumière SPF40 offre une triple action* pour aider à diminuer l'apparence des rides, unifier le teint et protéger la peau des rayons UV**:

- **une peau plus lisse:** les propriétés anti-âge de l'huile essentielle d'Immortelle aident à réduire l'apparence des rides et donnent une sensation de fermeté à la peau.
- **une peau plus uniforme:** sa formule aide à prévenir l'apparition des taches photo-induite grâce à la présence d'un filtre UV, et grâce à la *Bellis perennis* unifier et illuminer le teint.
- **une peau protégée:** un filtre UV d'origine minérale aide à protéger la peau des rayons du soleil. Formulé à partir de tournesol, de lierre et de riz, ce bouclier contribue à protéger la peau contre les effets néfastes de la pollution.

La peau semble plus lisse, le teint paraît plus lumineux et unifié, rayonnant d'une jeunesse naturelle.

Des résultats visibles**:

- Le teint paraît plus lumineux (71%).
- Après 7 jours, la peau semble plus lisse (82%), elle reflète mieux la lumière (79%).
- Après 4 semaines, la peau paraît mieux protégée du vieillissement (68%).

** Test in vivo : test de satisfaction sur 28 femmes pendant 4 semaines.

Appliquer chaque matin sur le visage et le cou, après le soin hydratant quotidien. Agiter avant emploi. Eviter le contour des yeux.

Testé sous contrôle dermatologique. Non comédogène. * Test in vitro sur ingrédients.
