Neutrogena Stubborn Body Acne Cleanser and Exfoliator

Drug Facts

Active ingredient

Sulfur 10%

Purpose

Acne treatment

Use

For the treatment of acne.

Warnings

For external use only.

Flammable: Keep away from fire or flame

When using this product

- Avoid contact with eyes. If contact occurs, immediately flush with water.
- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- apply only to areas with acne.

Do not use on

■ broken skin ■ large areas of the skin

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.

- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- Sensitivity Test for a New user: Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated above.

Other Information

- Store at room temperature

Inactive ingredients

Isopropyl Alcohol, Water, Calamine, Niacinamide, Zinc Oxide, Zea Mays (Corn) Starch, Magnesium Aluminum Silicate, Salicylic Acid, Titanium Dioxide
