Avon Products, Inc.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active Ingredient

Salicylic Acid 1.7%

Purpose

Acne Treatment

Uses

- for the treatment of acne
- clears up acne blemishes
- helps prevent new acne blemishes from forming
- penetrates pores to eliminate most blackheads and acne pimples

Warnings

For external use only

When using this product

- avoid contact with eyes. If product contacts eyes, rinse thoroughly with water. If irritation persists seek medical attention.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Flammable.

Keep away from heat or flame.

Directions

- cleanse skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor
- if bothersome dryness, irritation or peeling occurs, reduce application to every other day
