abies alba leaf oil, aesculus hippocastanum seed extract, agrimonia eupatoria extract, alcohol denat., arnica montana flower extract, calendula officinalis flower extract, cannabis sativa seed oil, calluna vulgaris extract, carbomer, chamomilla recutita (matricaria) flower extract, citrus grandis (grapefruit) peel oil,, citrus limon fruit oil, d&c green no.6, echinacea purpurea extract, ethylhexylglycerin, eucalyptus globulus leaf oil, ginkgo biloba leaf extract, glycerin, juniperus communis fruit oil, lavandula angustifolia oil, mentha piperita oil, peg-12 dimethicone, phenoxyethanol, pinus mugo twig oil, pinus pumila twig leaf oil, polysorbate 80, ribes nigrum fruit extract, rosmarinus officinalis leaf oil, scutellaria baicalensis extract, sodium hydroxide, symphytum officinale root extract, thymus vulgaris oil, vaccinium myrtillus fruit extract, water

PainElimin with hemp is a pain relief gel to help with the temporary relief of minor aches and pains of muscles, and joints associated with simple backache, arthritis, strains, bruises, and sprains. PainElimin contains 25 herbal extracts that are compounded based on a traditional Swiss formula. The massage with the gel induces strong perfusion, increasing the effect of the active substances and speeding up the recovery. Contains hemp oil for even more relief from musculoskeletal problems. The main herbs are: horse chestnut – Which contains active substances such as aescin, tannins, and flavonoid glycosides. These components increase vessel walls' elasticity, encourage circulation and venous discharge, and eliminate swelling. Comfrey – The main ingredient is allantoin, which supports regeneration of tissue. Common juniper – Activates the lymphatic system, helping remove toxic substances. It effectively speeds up regeneration.
