Hand Sanitizer Grade

ETHANOL

95% Ethanol (190 Proof)

DANGER! Highly flammable liquid and vapor. Keep away from heat, sparks, electrical, fire or flame. Use only in well-ventilated area; fumes may be harmful. Read back panel for additional precautionary statements.

– 32 fl. oz. –

USES

FIRST AID: Ethanol is a powerful antiseptic and sanitizer used to prevent the risk of infection from bacteria and viruses.

HAND SANITIZER: As there are no harmful organic solvents, acetone or heavy metals, this product can be used in hand sanitizer production.

The CDC and FDA recommend ethanol sanitizers to have alcohol concentrations of at least 60%.

CLEANER: Ethanol can be used as an industrial or household cleaner. Since ethanol is non-toxic and evaporates quickly, it leaves no streaks or oils. This product can be used in kitchens, bathrooms, and on glass, furniture, doorknobs and other surfaces touched daily.

Satisfaction Guarantee: We stand by our product 100%. If you are not happy, we want to help. If you would like a replacement or a refund, send your receipt to Belle Chemical LLC, 501 N 22nd St, Billings, MT 59101. Include your mailing address and tell us how we can fix it. We will be in touch as soon as possible.

*This product is manufactured at a FDA-registered facility in Billings, MT.
FDA Registration #: 12729878252

NOTICE: This product has been denatured according to SDA requirements. Additional denaturants do not need to be added when producing hand sanitizer.

Made in the USA 
Sewer and Septic Safe.
Please Recycle.
