-----

**Drug Facts**

**Active ingredient**

Tolnaftate USP 1%

**Purpose**

Antifungal

**Uses**

- for effective treatment of most athlete's foot (tinea pedis), jock itch (tinea cruris) and ringworm (tinea corporis)
- for effective relief of itchy, scaly skin between the toes
- clears up most athlete's foot infection and with daily use helps keep it from coming back

**Warnings**

**For external use only**

**Do not use**

- on children under 2 years of age unless directed by a doctor

**When using this product** avoid contact with eyes

**Stop use and ask a doctor if**

- irritation occurs or if there is no improvement within 4 weeks (for athlete's foot and ringworm)
- irritation occurs or if there is no improvement within 2 weeks (for jock itch)

**Keep this and all drugs out of the reach of children.**

In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately.

**Directions**

- clean the affected area and dry thoroughly
- apply a thin layer of the product over the affected area twice daily (morning and night) or as directed by a doctor
- supervise children in the use of this product

For athlete's foot

- use daily for 4 weeks. If condition persists longer, consult a doctor
- pay special attention to the spaces between the toes
- wear well fitting ventilated shoes
- change shoes and socks at least once daily

For ringworm, use daily for 4 weeks. If condition persists longer, consult a doctor.

For jock itch, use daily for 2 weeks. If condition persists longer, consult a doctor.

This product is not effective on the scalp or nails.
