JOINT-RITIS® MENTHOL PAIN RELIEVING OINTMENT

Drug Facts

Active ingredient

Menthol 16% w/v

Purpose

Pain reliever

Uses

temporarily relieves minor aches and pains of muscles and joints due to arthritis • simple backache • sprains • strains • bruises

Warnings

For external use only

When using this product

- avoid contact with the eyes or mucous membranes; if product gets into eyes, rinse thoroughly with water
- do not apply to wounds or damaged skin
- do not bandage tightly
- do not use with electric heating pads

Stop use and ask a doctor if

- condition worsens, or if symptoms persist for more than 7 days or clear up and occur again within a few days
- a rash or irritation develops

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 12 years of age and older: Apply a small amount gently into

affected area not more than three to four times daily

- shake well before use
- children under 12 years of age: Do not use, consult a doctor

Other information

- because product is all-natural, consistency may change with temperature variations
- if thickening occurs, run bottle under warm water or warm in palms of hands
- store at room temperature, protected from light and heat

Inactive ingredients

Chondroitin Sulfate, Copaiba Balsam (*Copaifera officinalis*) Resin Oil, D-Glucosamine Sulfate, Eucalyptus Oil, Lanolin, Lavender Oil, Olive-Pomace Oil
