CVS**

*Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.*

-----

**Drug Facts**

<b>Active ingredient</b>	<b>Purpose</b>
Benzoyl Peroxide 10%.....	Acne Treatment

**Use** for the treatment of acne

**Warnings**

**For external use only**

**Do not use** • if you have very sensitive skin or are sensitive to benzoyl peroxide

**When using this product** • skin irritation and dryness are more likely to occur if you use another topical acne

medication at the same time. If irritation occurs, only use one topical acne medication at a time. • rinse right

away with water if it gets in eyes • avoid unnecessary sun exposure and use a sunscreen • avoid contact with

the eyes, lips, and mouth • avoid contact with hair and dyed fabrics, which may be bleached by this product

• skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling.

Irritation

may be reduced by using the product less frequently or in a lower concentration.

**Stop use and ask a doctor if** skin irritation becomes severe

**Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away**

**Directions** • cleanse the skin thoroughly before applying medication • cover the entire affected area with a thin layer one to three times a day • because excessive drying of the skin may occur, start with one

application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. If

bothersome dryness or peeling occurs, reduce application to once a day or every other day. • if going outside, use a sunscreen. Allow product to dry, then follow direction in the sunscreen labeling. If sensitivity develops, discontinue use of both products and consult a doctor.

**Other information** • keep tightly closed • keep away from heat

**Inactive ingredients** Aluminum Hydroxide, Bentonite, Carbomer, Glyceryl Stearate, Isopropyl Myristate, PEG-12, Potassium Hydroxide, Potassium Sorbate, Propylene Glycol, Water.
