## **Molluscum Control**

### ***Drug Facts***

#### **Indications**

For the treatment of moles.

---

#### ***Homeopathic Active Ingredients\****

Equal parts of:	Purpose
Lycopodium Clavatum Spore 6X HPUS	Remedy for Molluscum, skin eruptions
Natrum Muriaticum 6X HPUS	Relief for Molluscum, skin conditions and inflammation
Thuja occidentalis 6X HPUS	Remedy for skin irritations that itch or burn

\* The letters 'HPUS' indicate that the components in this product are officially monographed in the Homœopathic Pharmacopœia of the United States.

#### **Inactive Ingredients**

Palmarosa Oil, Pelargonium Graveolens Leaf Oil, Tea Tree Oil

#### **Directions**

Apply directly to infected area. Product is very concentrated, apply only enough to cover area and gently rub into the skin. For more sensitive skin, apply product to a cotton swab and dab to area. Apply 3 times per day. For external use only. Avoid contact to eyes. Discontinue use if continued skin irritation occurs.

#### **Warnings**

**This product does not prevent the spread of molluscum.** If skin symptoms worsen, redness, bleeding or pus occurs consult a health care professional. Some individuals may be sensitive to tea tree or other oils. Begin with a small drop to determine if the product causes any increased redness or irritation and discontinue use if it irritates your skin.

If you are pregnant or breast-feeding, ask a health professional before use.

Keep out of the reach of children. If accidental ingestion, get medical help or contact a Poison Control Center.

For external use only. Do not apply to the eyes or mucous membranes. Keep all medicines out of the reach of children. Stop use and ask a doctor if condition worsens.
