Mary Kay

Clear Proof Acne System

Clarifying Cleansing Gel

Drug Facts

Active ingredient

Salicylic Acid (2% W/W)

Purpose

Acne Medication

Uses

- for the management of acne
- reduces the number of blackheads and acne pimples
- helps prevent new acne pimples

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with the eyes

Stop use and ask a doctor if

irritation or sensitivity develops or occurs

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse skin thoroughly before applying medication
- cover the entire affected area with a thin layer then rinse thoroughly one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Inactive ingredients

arctium lappa root extract, butylene glycol, citric acid, cocamidopropyl betaine, cystoseira amentacea/caespitosa branchycarpa extract, disodium EDTA, DMDM hydantoin, epilobium angustifolium flower/leaf/stem extract, ethylparaben, glycerin, methylparaben, phenoxyethanol, propylene glycol, propylparaben, sodium C14-16 olefin sulfonate, sodium chloride, triethanolamine, water

Blemish Control Toner

Drug Facts

Active ingredient

Salicylic Acid (2% W/W)

Purpose

Acne Medication

Uses

- for the management of acne
- reduces the number of blackheads and acne pimples
- helps prevent new acne pimples

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with the eyes

Stop use and ask a doctor if

irritation or sensitivity develops or increases

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Inactive ingredients

alcohol denat., citric acid, diethylhexyl sodium sulfosuccinate, eucalyptus globulus leaf oil, menthol, propylene glycol, simethicone, water

Acne Treatment Gel

Drug Facts

Active ingredient

Benzoyl Peroxide 5%

Purpose

Acne Medication

Uses

- for the management of acne
- dries up acne pimples
- helps prevent new acne pimples

Warnings

For external use only

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth

- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if

irritation becomes severe

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

- cleanse the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other information

- store at 59° F to 86° F
- expiration date on tube crimp

Inactive ingredients

aesculus hippocastanum (horse chestnut) seed extract, butylene glycol, carbomer, cucumis sativus (cucumber) fruit extract, diethylhexyl sodium sulfosuccinate, disodium EDTA, echinacea purpurea extract, glycerin, poloxamer 182, propylene glycol, silica, sodium hydroxide, water

MARY KAY

Clarifying Cleansing Gel
A clear cleanser that deep-cleanses skin to remove dirt, excess oil and impurities. This salicylic acid formula helps remove skin and clog pores to help you achieve clearer skin.

Blemish Control Toner
A salicylic acid-based formula helps remove dead skin cells to help keep pores from clogging and prevent new pimples from forming. This toner cleanses skin completely to help tighten pores and appear less noticeable to give you healthy, clearer skin.

Acne Treatment Gel
A lightweight benzoyl peroxide product that penetrates and closes pores to target bacteria and visibly reduce a pimple's redness. This highly effective cream absorbs quickly to help reduce the number of acne pimples and prevent new breakouts while allowing the skin to heal.

Oil-Free Moisturizer for Acne-Prone Skin
A fast-absorbing, lightweight, non-pore-clogging formula that helps provide the balanced hydration your skin needs. This formula helps control shine and excess oil to leave your skin feeling hydrated and healthier.

Before

After

Acne can happen when pores become blocked by dead skin cells, trapping oil and bacteria inside. As the skin continues to produce oil, blocked pores provide the perfect environment for the bacteria to flourish, increasing the chances for acne blemishes and skin redness. The Mary Kay Clear Proof Acne System was developed to target acne's key contributing factors: clogged pores and bacteria. This unique system, composed of products including effective levels of salicylic acid and benzoyl peroxide, provides a serious solution to clear up acne. Salicylic acid exfoliates dead skin cells while benzoyl peroxide reduces bacteria. Together, these ingredients help visibly reduce the number of acne blemishes, reduce their severity and prevent new pimples from forming. The Mary Kay Clear Proof Acne System will help you take control of your acne so you can feel more confident in your healthier, clearer skin.

clear proof[®] acne system
this set contains:
clarifying cleansing gel 4.5 OZ. NET WT. / 127 g
