Plum Emergency Eyewash Duo

Active Ingredient

Purified water 99.1%

Purpose

Emergency eyewash and skin flush

Uses

For flushing the eye and skin to reduce chances of severe injury caused by acid, alkali, or particulate contamination.

Warnings

For external use only

Do not use

- for injection • in intraocular surgery • internally
- If solution changes color or becomes cloudy

When using this product

- avoid contamination • do not reuse

Once opened, discard.

Ask doctor if you have

- eye pain • changes in vision
- redness or irritation of the eye after use • an injury caused by alkali

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- do not dilute solution or reuse bottle
- to open, twist cap in the direction of the arrow
- center the DUO between the eyes to simultaneously wash both eyes

- control flow of solution by pressure on bottle ● flush affected area as needed
- continue to flush with water as necessary ● obtain medical treatment

Other information

- not for use as a contact lens solution ● twist cap to open
- use before expiration date marked on bottle
- store at room temperature 5° to 35° C (41° to 95°F)

Inactive ingredient

Sterile sodium chloride
