In case of accidental overdose, contact a doctor or Poison Control Center immediately.

Seal is broken or missing.

When Using

Do not exceed the recommended daily dosage unless directed by a doctor.

Certain persons can develop allergic reactions to ingredients in this product.

Do not put this product into the rectum by using fingers or any medical device or applicator.

Stop Use

The symptom being treated does not subside or if redness, irritation, swelling, pain, or other symptoms develop or increase.

Ask Doctor

The symptom being treated does not subside or if redness, irritation, swelling, pain, or other symptoms develop or increase.

Keep Out Of Reach Of Children

In case of accidental ingestion, seek medical attention immediately.

Directions

Perform a patch test on the back of your hand before using it to check for skin sensitivity. When practical, cleanse the affected area with mild soap and warm water and rinse thoroughly. Gently dry by patting or blotting with toilet tissue or a soft cloth before application of this product.

Apply up to 2 times a day. (Children under 12 years of age: consult a doctor.)

Other information

Keep away from direct sunlight or heat

Store in room temperature (59-86°F / 15-30°C)
