

X FOLATE- coal tar shampoo
Mediceutical Laboratories, LTD

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

X-FOLATE

Active Ingredient

5% coal tar extract 0.75

Purpose

anti-dandruff, anti-psoriasis, anti-seborrheic dermatitis

Uses

Helps prevent and control itching and flaking associated with dandruff, psoriasis and seborrheic dermatitis

Warnings

For external use only. If condition worsens or does not improve after regular use of this product as directed, discontinue and consult a physician. If condition covers a large area of the body, consult your physician before using this product.

Keep this and all drugs out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away. Avoid contact with eyes. If contact occurs, rinse eyes thoroughly with cool water.

Directions

For best results use at least twice a week or as directed by a physician.

For maximum control, use every time you shampoo.

1. Wet hair massage a liberal amount of X-Folate™ into the scalp and leave on for 1-2 minutes.
2. Thorough rinse and repeat if desired.

Apply Therapeutic™ Scalp and Hair Treatment Rinse for 1-2 minutes, thoroughly rinse. For persistent dandruff and psoriasis use TheraRx™ as a pre-shampoo treatment.

Consult your Salon professional for additional Mediceuticals® scalp and hair treatments specifically tailored for your condition.
