CORRECTEUR DE TEINT

SPF 20

Lending skin the beauty of porcelain, this complexion corrector conceals imperfections and gives an even matte finish whilst protecting from UVA/B rays and preventing premature ageing.

Az arctónus tökéletesítő bőrünknek a porcelán szépségét kölcsönözve javítja ki az apró hibákat, és ad arcunknak egy egyenletesen matt fedőréteget. Ez az emulzió szokatlanul gazdag cinkben, ideális az érzékeny, kiütésekre, napfoltokra illetve pigmentfoltokra hajlamos bőrre, miközben 30-as faktorú védelmet nyújt a nap sugaraival szemben.
