---------

Drug Facts

Active ingredient
Menthol 5%

Purpose
Menthol - Topical Analgesic

Uses
temporarily relieves minor aches and pains of muscles and joints due to

• simple backache
• arthritis
• strains
• sprains

Warnings

For external use only

When using this product

• use only as directed
• avoid contact with eyes and mucous membranes
• do not apply to wounds or to damaged or very sensitive skin
• do not bandage tightly or use with a heating pad

Stop use and ask a doctor if

• condition worsens
• excessive redness, irritation, burning, or discomfort of the skin develops
• pain persists for more than 7 days
• symptoms clear up and occur again within a few days

Keep out of reach of children.
If swallowed, get medical help or contact a Poison Control Center right away.

Directions

• adults and children 12 years and over: apply to affected area; change patch 1 to 2 times daily
children under 12 years: ask a doctor
FOR BEST RESULTS apply to clean, dry skin
tear open pouch and remove patch; if desired, cut patch to size
grasp both ends of the patch firmly with thumbs near center
stretch patch until the backing separates
remove protective film while applying patch directly to site of pain
