Brightening

Significantly reduce the appearance of dark spots, age spots and acne scars that create an uneven skin tone. Our powerful formulas instantly hydrate and brighten all skin types to renew skin's natural radiant glow. Over time, these products help prevent discoloration and future signs of aging for fresh, youthful looking skin.

Skin Effects Brightening Day Cream SPF 50 1oz / 28.3g

"When I developed this skin care line, I was determined to provide the most technologically advanced formulations. I believe in creating skin care products that deliver the results you want, healthy, younger-looking, more beautiful skin." Dr. Jeffrey Dover

The Skin Effects Firming Facial Cream with Retinol Complex SPF 30 contains retinol, advanced hydration and SPF protection. This trio of powerful ingredients is time-released to improve brightness, firmness, moisture and skin tone. Antioxidant Vitamins C and E condition skin and help protect against free radicals.

- Unique formula causes less irritation than most retinol-based products
- Helps moisturize, firm and renew skin's surface for a smoother tone and texture
- Provides high protection against future UVA/UVB damage with SPF 30
- Paraben free

Directions:

Apply daily to freshly cleansed face and neck. Use before sun exposure for sunscreen benefits.

Skin Effects: A Complete Anti-Aging Regimen

For optimal results, use this product as a complete regimen with the Skin Effects cleansers, scrubs, anti-aging treatments, creams and moisturizers with SPF protection.

Warnings:

For external use only. Keep out of eyes and mucosa. If contact occurs, rinse well with water. If irritation, redness or itching occurs discontinue use and consult a physician. In case of accidental ingestion, get professional assistance or contact a Poison Control Center immediately. Keep out of reach of children. For external use only. Keep out of eyes, rinse with water to remove. Stop use and see a doctor if irritation develops and lasts. Keep out of reach of children.

Brightening

Significantly reduce the appearance of dark spots, age spots and acne scars that create an uneven skin tone. Our powerful formulas instantly hydrate and brighten all skin types to renew skin's natural, radiant glow. Over time, these products help prevent discoloration and future signs of aging for fresh, youthful looking skin.

"When I developed this skin care line, I was determined to provide the most technologically advanced formulations. I believe in creating skincare products that deliver the results you want...healthy, younger-looking, more beautiful skin.

D. Jeffrey Dore

The Skin Effects Brightening Day Cream SPF 50 contains a unique brightening complex, antioxidant Vitamins A, C and E, and an intensive sunscreen in one lightweight formula. These ingredients work together to help even skin tone, and prevent sun damage that can cause dryness and premature signs of aging.

- Hydrates and smoothes skin while helping prevent and reduce the appearance of discoloration
- Helps create a more even, radiant tone with B-White™, a brightening peptide complex
- Provides high protection against future UVA/UVB damage with SPF 50
- Paraben free

Directions: Apply daily to freshly cleansed face and neck. Use before sun exposure for sunscreen benefits.

Skin Effects:

A Complete Anti-Aging Regimen

For optimal results, use this product as a complete regimen with the Skin Effects cleansers, scrubs, anti-aging treatments, creams and moisturizers with SPF protection.

Warnings: For external use only. Keep out of eyes and mucosae. If contact occurs, rinse well with water. If irritation, redness or itching occurs discontinue use and consult a physician. In case of accidental ingestion, get professional assistance or contact a Poison Control Center immediately. Keep out of reach of children.
