"Used by leading estheticians in professional facials™"

With daily use, Spotless Cleanser helps:

- ✓ Unclog pores
- ✓ Clear skin
- ✓ Control excess oil
- ✓ Deep cleanse without stripping

About Bioelements

Chances are, if you have ever had a professional facial, you've experienced Bioelements. Since 1991, skin care specialists have been using our highly individualized formulas to treat the skin, target complexion concerns and discourage skin-aging. And, unlike ordinary skin care, each Bioelements product is a professionally created treatment designed to make a major difference in the appearance of your skin.

What it is: A highly effective cleanser formulated with salicylic acid and exfoliating enzymes to keep skin smooth, clean and clear. Fragrance free.

What it does: Washes away excess oil, makeup and troublesome bacteria that can clog pores. Clears skin and deep cleanses without stripping.

Who it's for: Acne Skin Types

Key Ingredients: Salicylic Acid (exfoliating and antiseptic); Panthenol (soothing, moisturizing); Allantoin (soothing); Pineapple, Papaya (exfoliating)
