

**ICY HOT ADVANCED RELIEF- menthol topical analgesic patch**  
**Chattem, Inc.**

-----  
**Icy Hot Advanced Relief**

**Active Ingredient**

Menthol 7.5%

**Purpose**

Topical analgesic

**Uses**

for the temporary relief of minor aches and pains of muscles and joints associated with:

■ arthritis ■ simple backache ■ strains ■ sprains ■ bruises

**Warnings**

**For external use only**

**Do not use**

- on wounds, damaged, broken or irritated skin
- with a heating pad or apply local heat to the area of use

**When using this product**

- use only as directed
- do not bandage tightly
- avoid contact with eyes and mucous membranes
- rare cases of serious burns have been reported with products of this type
- a transient burning sensation may occur upon application but generally disappears in several days

**Stop use and ask a doctor if**

- condition worsens or symptoms persist for more than 7 days
- symptoms clear up and occur again within a few days
- severe burning sensation, redness or irritation develop
- you experience signs of skin injury, such as pain, swelling, or blistering where the product was applied

**If pregnant or breast-feeding,**

ask a health professional before use.

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

***Directions***

**adults and children 12 years of age and older:**

- gently fold the patch in half to remove center section of film backing. Apply the exposed adhesive portion to the site of pain.
- remove remaining film backing from both sides and finish applying to skin
- apply to affected area not more than 3 to 4 times daily

**children under 12 years of age:** consult a doctor

***Inactive ingredients***

glyceryl hydrogenated rosinat, hydrated silica, mineral oil, PEG-400, polyisobutene, styrene/isoprene copolymer
