

FAMILY CARE ARTHRITIS PAIN RELIEF- capsaicin cream

United Exchange Corp.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active ingredient	Purpose
Capsaicin 0.075%.....	Topical analgesic

Uses

- for the temporary relief of minor aches and pains of muscles and joints associated with arthritis, simple backache, strains, and sprains

Warnings

For external use only.

Do not apply to wounds or to damaged or irritated skin.

When using this product

- you may experience a burning sensation which is normal and related to the way the product works. With regular use, this sensation generally disappears within several days.
- avoid contact with eyes, do not get on mucous membranes, into eyes, or on contact lenses. If this occurs, rinse the affected area thoroughly with water.
- do not apply immediately before or after activities such as bathing, swimming, sun bathing, or strenuous exercise
- do not apply heat to the treated areas immediately before or after use
- do not tightly wrap or bandage the treated area
- avoid inhaling airborne material from dried residue. This can result in coughing, sneezing, tearing, throat or respiratory irritation.

Stop use and ask a doctor if

- condition worsens or if symptoms persist for more than 7 days or clear up and occur again within a few days, discontinue use of this product and consult a doctor
- blistering occurs
- difficulty breathing or swallowing occurs
- severe burning persists

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

- for persons under 18 years of age, ask a doctor before using
- apply a thin film of cream and gently rub in until fully absorbed
- for optimum relief, apply 3 to 4 times daily
- best results typically occur after 2 to 4 weeks of continuous use
- unless treating hands, wash hands thoroughly with soap and water immediately after use

Other information

- store at 15° to 30°C (59° to 86°F)
- Lot No. & Exp. Date: see box or see crimp of tube

Inactive ingredients

benzyl alcohol, cetyl alcohol, ethanol, isopropyl myristate, petrolatum, polyoxyl 40 stearate, sobritan monostearate, sorbitol solution, water
