

BREATH FRIEND- zinc gluconate gel
Addison Biological Laboratory, Inc.

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click here.

Breath Friend®

Benefits: Natural 1-step oral cleansing action without brushing, instant fresh breath, superior pet acceptance.

Directions: Apply gel directly on the gums above the outside of the back molars. One drop placed on the index finger and applied on each side of the mouth will give optimum pet acceptance in adult cats. Use slightly more for small dogs. Most medium to large dogs will accept direct application from the built-in applicator tip.

A natural cleansing action will distribute the gel to remote areas of the mouth. Use daily for best results.

Storage: Store at room temperature and keep out of direct sunlight.

Ingredients: Deionized water, Carboxymethylcellulose, Zinc gluconate, Taurine, Methylparaben, Propylparaben, F.D.&C. Blue #1.

Keep out of reach of children.
