### Drug Facts (continued)

When using this product, your child may have rectal discomfort or a burning sensation

Stop use and ask doctor if your child has rectal bleeding or fails to have a bowel movement after use of a laxative. These could be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

### Directions

children 2 to under 6 years of age  
carefully insert 1 suppository well into the rectum and retain for 15 minutes; it need not melt to produce laxative action. Do not exceed 1 suppository daily or as directed by a doctor  
ask a doctor

children under 2
