

PUBLIX WOMEN LAXATIVE- bisacodyl tablet
PUBLIX SUPER MARKETS, INC

Publix Stimulant Woman's Laxative 30 Tablets

Active ingredient (in each tablet)

Bisacodyl, USP 5 mg

Purpose

Laxative

Use

- for relief of occasional constipation (irregularity)
- this product generally produces a bowel movement in 6 to 12 hours

Warnings

Do not use

for children under 6 years of age.

Ask a doctor before use if you have

- abdominal pain
- nausea
- vomiting
- a sudden change in bowel habits that lasts more than 2 weeks

When using this product

- do not chew or crush tablet
- do not use within 1 hour after taking an antacid or milk
- abdominal discomfort, faintness and cramps may occur

Stop use and ask a doctor if

- you need to use a laxative for more than 1 week
- rectal bleeding or failure to have a bowel movement after use of laxative. These could be signs of a serious condition.

If pregnancy or breast-feeding,

ask a health professional before use.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center right away at (1-800-222-1222).

Directions

- each laxative works differently. Adults and children over 12 may need fewer tablets to get the same effect as more tablets of another brand.
- start with one tablet and take with water. If one tablet does not produce the desired results, then try two or three tablets daily.
- do not take more than three tablets daily

adults and children 12 years of age and older	take 1 to 3 tablets in a single dose once daily
children 6 to under 12 year of age	take 1 tablets once daily
children under 6 years of age	ask a doctor

Other information

- each tablet contains: **calcium 20 mg**
- store at room temperature
- keep this carton for future reference on full labeling.
