CVS Clarifying Body Wash Acne Treatment

Drug Facts

Active ingredients

Salicylic Acid 2.0%

Purpose

Acne Treatment

Use

For the treatment of acne

Warnings

For external use only

Ask a doctor or pharmacist before use if you are using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

When using this product avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- ◆ Use daily in the shower or bath
- ◆ For maximum lather, massage over wet skin with a washcloth or body puff, concentrating on areas prone to breakouts
- ◆ Rinse well.
