

TALIMENT- folic acid, pyridoxine hydrochloride, cyanocobalamin, ubiquinone, doconexent, icosapent, omega-3 fatty acids, and .beta.-sitosterol capsule, coated
Taleos Pharma

TALIMENT Softgels

Rx Only

DESCRIPTION

TALIMENT is a prescription multi-vitamin in the form of a red, oblong softgel.

INDICATION AND USAGE

TALIMENT is a prescription multi-vitamin supplement with DHA and EPA that can be taken to improve nutritional status in conditions requiring Essential Fatty Acid, Vitamin B12 and B6 and Folic Acid supplementation capsule.

CONTRAINDICATIONS

This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.

WARNING

Folic Acid in doses above 0.1 mg daily may obscure pernicious anemia in that hematological remission can occur while neurological manifestations remain progressive. Folic Acid alone is improper therapy in the treatment of pernicious anemia and other megaloblastic anemias where vitamin B12 is deficient.

Ingestion of more than 3 grams of omega-3 fatty acids per day has been shown to have potential antithrombotic effects, including increased bleeding time and INR. Administration of omega-3 fatty acids should be avoided in patients on anticoagulants and in those known to have an inherited or acquired bleeding diathesis.

KEEP THIS AND ALL MEDICATIONS OUT OF THE REACH OF CHILDREN.

PRECAUTIONS

Folic Acid in doses above 0.1 mg daily may obscure pernicious anemia in that hematological remission can occur while neurological manifestations remain progressive.

ADVERSE REACTIONS

Allergic sensitization has been reported following both oral and parenteral administration of folic acid.

DOSAGE AND ADMINISTRATION

Adults: One to four softgels orally daily or as directed by a physician.

Supplement Facts

Serving Size: 1 Softgel

**Servings per
Container:** 60

Amount Per Serving

Folic Acid	1mg
Vitamin B6 (as Pyridoxine HCl)	15mg
Vitamin B12 (as Cyanocobalamin)	0.5mg
Coenzyme Q10 (as Ubiquinone)	50mg
Omega-3 Acids	800mg
Doconexent (DHA)	350mg
Icosapent (EPA)	80mg
Beta-sitosterol	200mg

STORAGE

Store at 20° - 25°C (68° - 77°F); excursions permitted to 15° - 30°C (59° - 86°F) [See USP Controlled Room Temperature.]

Dispense in a well-closed, tight, light-resistant container as defined by the USP using a child resistant closure.
