Purifying Foaming Wash
Drug Facts

Active Ingredient

Salicylic Acid 2.0%

Purpose

Acne Treatment

Use

- For treatment of acne.

Warnings

For external use only.

When using this product

- Skin irritation and dryness is most likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions AM/PM

- Moisten skin with warm water.
- Dispense two full pumps of Purifying Foaming Wash into palm of hand, apply by gently massaging over the entire affected area, rinse thoroughly and pat dry.
- Avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Sensitivity Test for a New User. Apply product sparingly to one or two small affected

areas during the first 3 days. If no discomfort occurs, follow the directions stated above.

Other information

- Store at controlled room temperature 15°- 30°C (59°- 86°F).
