

FLEX24 PAIN- camphor menthol cream
Larasan Pharmaceutical Corporation

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active Ingredients

Menthol, 10%
Camphor, 3%

Purpose

Topical analgesic

Uses

For temporary relief of minor aches and pains of muscle and joints associated with simple backache, arthritis, strains, cramps, bruises, and sprains.

Warnings

☐For external use only

Do not

• Apply to open wounds, or damaged, broken, or irritated skin

☐Stop use and ask a doctor☐ if condition worsens or if there is redness or irritation in the applied area or if symptoms persist for more than 7 days or clear up and occur again within a few days.

Caution

- Discontinue use if excessive irritation of the skin develops
- Avoid contact with the eyes and mucous membranes
- Arthritis: If pain persists for more than 10 days, or redness is present, or in conditions affecting children under 12 years of age consult a physician immediately.

☐Keep out of reach of children.If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Adults and children 2 years of age or older: Apply to affected area as and when required.
- Remove the cap and apply in a circle of 25 mm diameter (size of a quarter) to affected area and spread smoothly over the skin with fingers.
- Wash fingers that applied cream with water. Do not rub eyes with fingers until washed with water.
- Children under 2 years old: consult a doctor
