

VANIBISS BUTT AND THIGHS- salicylic acid cream
Vanibiss Inc

81890-002-04

Salicylic Acid 2%

Purpose: Acne treatment

USE:

For the treatment of acne.

For external use only.

Do not use on children under 12 years of age unless directed by a doctor.

Stop use and consult a doctor if

Condition worsens or does not improve with regular use of this product as directed.

Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

If pregnant or breast-feeding, ask a health professional before use.

If swallowed, get medical help or contact a Poison Control Center right away.

DIRECTIONS:

Clean the skin thoroughly before applying product.

Cover the entire affected area with a thin layer one to three times daily.

Because excess drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.

If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

See on the top of the tube for lot number and expiration date.

Protect the product in this container from excessive heat and direct sun.
