Aunt K's Story

When her baby was a chronic rash, Aunt K was determined to develop a remedy that used and healed her baby's skin. Using only natural ingredients found in her pantry, she formulated a product that soothes and heals. Aunt K shared it with friends, who tried it on their own skin before and after activities. They found it reduced chafing and minor skin irritation. Now, Aunt K shares her all-natural, healing powder with you because, quite simply, it works!
