-----  
**Clear Future® Mattifying Treatment Lotion**

**Drug Facts**

**Active ingredient**

Salicylic Acid 0.5%

**Purpose**

Acne Treatment

**Uses**

- for the treatment of acne.
- penetrates pores to reduce the number of acne pimples.
- helps prevent new acne pimples from forming.

**Warnings**

**For external use only**

**When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with eyes. If contact occurs, rinse thoroughly with water.

**Stop use and ask a doctor if** irritation or redness develops and lasts.

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

**Directions**

- cleanse the skin thoroughly before applying this product.
- cover the entire affected area with a thin layer one to three times daily.
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

## **Other information**
