

DIZOP MINOXIDIL TOPICAL GEL- minoxidil 5% gel
Shenzhen Joyufish Technology Co.,Ltd.

Dizop Minoxidil Topical Gel

Dizop Minoxidil Topical Gel

Minoxidil 5%

Reactivates Hair Follicles To Stimulate Regrowth Easy-To-Use Minoxidil Gel

Minoxidil Topical Gel, 5% (For Men), is designed for men experiencing general hair thinning on the top of the scalp, as depicted.

Hair regrowth treatment for men.

Use to Regrow Hair on the Top of the Scalp (See Pictures on the Side of this Carton).

For external use only

Your degree of hair loss differs from that shown on the side of this carton because this product may not work for you.

Your hair loss is sudden, patchy, or a combination of both.

You are under 18 years of age. Please do not use it on babies or children.

Your scalp is red, inflamed, infected, irritated, or painful.

You use other medicines on the scalp.

Do not use more than directed.

Avoid contact with the eyes, ears, and mouth. In the event of accidental contact with the eyes, rinse the affected area with a generous amount of cool tap water immediately.

It takes time to regrow hair. Results may occur after two months of once-daily use. For some individuals, it may take at least four months before results become noticeable.

The efficacy of this product in promoting hair regrowth can differ from person to person, and it may not work for every man.

Stop use and ask a doctor if you experience chest pain, a rapid heartbeat, faintness, or dizziness, or if scalp irritation or redness occurs. These may be signs of a serious condition

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately at 1-800-222-1222

Apply 1 ml onto the scalp, where hair loss occurs, once daily and massaging gently for absorption.

Store between 41 and 86°F (5 and 30 °C). Avoid freezing and exposure to excessive heat above 95°F (35°C)

Warnings

For external use only.

Do not use if

• Your degree of hair loss differs from that shown on the side of this carton because this product may not work for you.

• Your hair loss is sudden, patchy, or a combination of both.

• You are under 18 years of age. (Please do not use it on babies or children.)

• Your scalp is red, inflamed, infected, irritated, or painful.

• You use other medications on the scalp.

Stop use and ask a doctor if you experience chest pain, a rapid heart beat, faintness, or dizziness, or if scalp irritation or redness occurs. These may be signs of a serious condition.

When using this product

• Do not use more than directed.

• Avoid contact with the eyes, nose, and mouth. In the event of accidental contact with the eyes, rinse the affected area with a generous amount of cool tap water immediately.

It takes time to regrow hair. Results may occur after two months of consistent use. For some individuals, it may take at least four months before results become noticeable.

The efficacy of this product in promoting hair regrowth can differ from person to person and it may not work for every man.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately at 1-800-235-2222.

Directions

Apply 1 ml onto the scalp, where hair loss occurs, once daily and massage gently for absorption.

Other information

Store between 68°F (20°C) and 30°C. Avoid freezing and exposure to excessive heat above 92°F (33°C).

Inactive ingredients

Deionized water, Oleic acid, Polyacrylate 90, Sorbitan monooleate, Carbomer, Homocysteine, Glycerin, Purified water.

Purpose

Hair regrowth treatment for men.

Use to Regrow Hair on the Top of the Scalp (See Pictures on the Side of this Carton)

DIRECTIONS FOR USE

This Minoxidil Topical Gel should be used once daily, every day.

To ensure effectiveness, apply the product directly to your scalp, not your hair, so it reaches your hair follicles and aids in regrowing your hair. We suggest leaving it on the scalp for approximately 6 hours.

1. Remove the bottle cap.

Open the bottle by either twisting or lifting the cap to remove it.

2. Squeeze out the Minoxidil Topical Gel.

Dispense the Minoxidil Topical Gel by placing two fingers on the top sides and pressing them down together. Each press releases 0.2 ml of the gel. For a single-use amount of 1 ml, press the pump twice.

3. Apply to the scalp, not the hair.

Part your hair to expose the area of hair loss. Massage the gel into the scalp, not the hair, until the gel's white color disappears. Repeat until all areas with hair loss have been covered.

4. Close the cap and wash your hands.
