STEP 1

FOR SCALP : Directly spray the scalp with six sprays from the back to the crown to the frontal region. **FOR BEARD :** Directly spray each cheek with two sprays.

STEP 2

Use twice daily on clean hair. Use fingertips to massage the solution into skin/hair for 2-3 minutes (Apply pressure, so that blood flow can increase for both scalp and beard)

If there are adverse reactions such as itching and redness, please stop using immediately and seek medical help.

Keep out of reach of children.

Use twice daily on clean hair. Use fingertips to massage the solution into skin/hair for 2-3 minutes (Apply pressure, so that blood flow can increase for both scalp and beard)

store at room temperature
