You should contact your healthcare provider for medical advice about adverse events. To report a serious adverse event, contact US Pharmaceutical Corporation, P.O. Box 360465, Decatur, GA 30036.

**INDICATIONS:** The treatment of iron deficiency anemia, which may occur due to an increased need for iron, a deficient intake of iron or an excessive loss of iron.

**SIDE EFFECTS:**

Gastrointestinal disturbance (anorexia, nausea, diarrhea, constipation) occur occasionally but are usually mild and subside with continuation of therapy.

**DOSAGE:**

Adults (persons over 12 years of age), one (1) capsule daily, between meals, or as prescribed by a physician. Do not exceed recommended dosage. Do not administer to children under the age of 12. If you are pregnant or nursing a baby, seek the advice of a health professional before using the product.

**HOW SUPPLIED:** Tandem® are light brown opaque capsules printed radially in red with "Tandem" on the cap and 2 parallel lines of repeated "US" logo on the body. Available in box of 90 blister packed capsules (52747-0900-90). The listed product number is not a National Drug Code. Instead, US Pharmaceutical Corporation has assigned this product code formatted according to standard industry practice to meet the formatting requirements of pharmacy and healthcare insurance computer systems.

Do not purchase if any portion of product is opened. Store at room temperature 15° to 30°C (59° to 86°F) and dry place.

**WARNING:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
