

**BLOOP HEMORRHOID RELIEF TOPICAL- glycerin, petrolatum, phenylephrine hcl, pramoxine hcl cream**  
**Three Nations Corp**

-----  
**Bloop Hemorrhoid Relief Topical Cream**

Glycerin 14.4%, Petrolatum 15%, Phenylephrine HCl 0.25%, Pramoxine HCl 1%

Anorectal (hemorrhoidal)

- Helps relieve the pain, itching, and burning associated with hemorrhoids and other anorectal disorders
- Temporarily protects the inflamed, irritated anorectal surface to help make bowel movements less painful from irritation and abrasion during bowel movement.
- Temporarily shrinks hemorrhoidal tissue.

**For external use only** (skin of the perianal area and anal canal).

**Ask a doctor before use if you have**

- heart disease
- high blood pressure
- thyroid disease
- diabetes
- difficulty in urination due to enlargement of the prostate gland
- presently taking a prescription drug for high blood pressure or depression

**When using this product**

- avoid contact with eyes
- do not exceed recommended dosage unless directed by a doctor
- do not put this product into the rectum by using fingers or any mechanical device or applicator

Ask a health professional before use.

If swallowed, get medical help or contact a Poison Control Center immediately.

- Gently dry by patting or blotting with toilet tissue or soft cloth before applying
- Carefully apply medication to the perianal skin and anal canal with a clean finger
- Adults and children 12 years and older: apply externally to the affected area up to 4 times daily, especially at night, in morning or after bowel movement
- Children under 12 years of age consult your pediatrician.

Benzyl alcohol, carapa guianensis seed oil, cetearyl alcohol, cetyl alcohol, copaifera officinalis (balsam copaiba) resin, disodium EDTA, ethylhexylglycerin, glyceryl stearate SE, mineral oil, propanediol, steareth-21, stearyl alcohol, tocopherol, water
