-----  
**Clinicians Complex Acne Drying Lotion**

**Active Ingredients:**

Sulfur 10%

**Purpose**

Acne Treatment

**Uses:**

For the treatment of acne • Dries up acne pimples • Dries and clears acne blemishes  
Helps keep skin clear of new acne blemishes

**Warnings:**

For external use only • When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time • Do not use on broken skin or large areas of the skin • When using this product apply only to areas with acne. Avoid contact with eyes • If excessive irritation develops or increases, discontinue use and consult a doctor • Keep out of reach of children • If swallowed, get medical help or contact Poison Control Center right away.

Keep out of reach of children.

**Directions:**

**DO NOT SHAKE SOLUTION** • Cleanse the skin thoroughly before applying medication • Dip clean cotton swab into sediment and apply directly to blemishes. Because excessive drying of the skin may occur, limit use to one application daily, or as directed by a physician.

**Inactive Ingredients:**

Isopropyl Alcohol, Water, Zinc Oxide, Camphor, Magnesium Aluminum Silicate, Salicylic Acid, Iron Oxides.

## Other Information:

Protect this product from excessive heat and direct sun light.
