

SAMSALI WART REMOVER- wart remover liquid
Shenzhen Xinxin Yunhai Technology Co., Ltd.

83818-002

Active Ingredient

Salicylic acid 5.00%

Purpose

Wart, Corn and Callus Remover

Use

the removal of plantar warts, common warts, flat warts, corns, and calluses

Warnings

Warnings

For external use only. Avoid ingestion. Children should use this product under adult supervision.

Do not use

around eyes or on facial area if you have a known allergy to this product on damaged skin

When Using

avoid eye contact. If the product gets into eyes, thoroughly rinse with water.

Stop Use

Signs of an allergic reaction occur Discomfort or adverse effects are felt during use

Ask Doctor

pregnant, intending to become pregnant, breastfeeding

Keep Out Of Reach Of Children

If swallowed, get medical help or contact a Poison control Center right away.

Directions

1. Unscrew cap to open (first-time users cut the sealed round ball at the bottle mouth with scissors).
2. Wash and dry the affected area (wart, corn, callus) before application. Squeeze bottle to evenly apply the liquid, which dries into a film within seconds; Repeat the process for a second application.
3. Immediately reseal the bottle after application to prevent air exposure as the product may crystallize.
4. Apply twice daily - morning and evening. If the issue is foot-based, apply before bedtime to minimize friction during walking and enhance absorption.
5. Continue daily application for 2 weeks until skin appears smooth and healthy. More severe cases may require a longer period - remain patient and consistent with the application.

Other information

Keep sealed and store at room temperature.

Inactive ingredients

Bassia Scoparia Fruit, Dictamnus Dasycarpus Root Bark, Gleditsia Sinensis Thorn, Typhonium Giganteum Stem
