

**AFRIN ORIGINAL PUMP MIST- oxymetazoline hydrochloride spray, metered  
Bayer HealthCare LLC.**

-----  
**Afrin**®

**Original Pump Mist**

**Drug Facts**

**Active ingredient**

Oxymetazoline hydrochloride 0.05%

**Purpose**

Nasal decongestant

**Uses**

- temporarily relieves nasal congestion due to:
  - common cold
  - hay fever
  - upper respiratory allergies
- shrinks swollen nasal membranes so you can breathe more freely
- temporarily relieves sinus congestion and pressure

**Warnings**

**Ask a doctor before use if you have**

- heart disease
- high blood pressure
- thyroid disease
- diabetes
- trouble urinating due to an enlarged prostate gland

**When using this product**

- **do not use more than directed**
- do not use for more than 3 days. Use only as directed. Frequent or prolonged use may cause nasal congestion to recur or worsen.
- temporary discomfort such as burning, stinging, sneezing or an increase in nasal discharge may occur
- use of this container by more than one person may spread infection

**Stop use and ask a doctor if symptoms persist**

**If pregnant or breast-feeding**, ask a health professional before use.

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison

Control Center right away.

### **Directions**

- adults and children 6 to under 12 years of age (with adult supervision): 2 or 3 sprays in each nostril not more often than every 10 to 12 hours. Do not exceed 2 doses in any 24-hour period.
- children under 6 years of age: ask a doctor.

Shake well before use. Before using the first time, remove the protective cap from the tip and prime metered pump by depressing pump firmly several times. To spray, hold bottle with thumb at base and nozzle between first and second fingers. Without tilting head, insert nozzle into nostril. Fully depress rim with a firm, even stroke and sniff deeply. Wipe nozzle clean after use.

### **Other information**

- store between 20° to 25°C (68° to 77°F)
- retain carton for future reference on full labeling

### **Inactive ingredients**

benzalkonium chloride solution, edetate disodium, polyethylene glycol, povidone, propylene glycol, purified water, sodium phosphate dibasic, sodium phosphate monobasic
