VOVA Eye Cream is a skincare product specially designed for the delicate skin around the eyes. Its gentle yet effective formula nourishes and protects the fragile eye area, reducing the appearance of fine lines, puffiness, and dark circles. This eye cream has a lightweight texture that is easily absorbed without weighing down the delicate skin. It provides deep hydration and moisture, keeping the skin around the eyes supple and soft. With continued use, it improves the elasticity and firmness of the eye area, reducing the signs of sagging and wrinkles, leaving the eyes looking youthful and bright.  
**DIRECTIONS:** After cleansing, apply a pea-sized amount under eye in the morning and at night. Pat gently until the product is absorbed into the skin. Proceed with your daily makeup routine.  
**CAUTIONS:** Avoid direct contact with eyes. In case of eye contact, rinse immediately with water only. Keep out of children. Not tested on animals. Store in a cool dry place.
