DESCRIPTION

This potent daily antioxidant serum contains 15% L-ascorbic acid, along with a GenRx Complex® to further enhance the serum's effects. It helps protect against free radicals throughout the day, brightens skin tone, and lessens signs of previous skin damage.

Key Benefits:

- A potent antioxidant that strengthens the skin's natural defenses, brightening the skin and minimizing the effects of previous visible damage.
- Improves the look of wrinkles and fine lines, benefiting the skin.
- Strengthens the skin's defense mechanisms against free radicals and environmental stressors.
- Essential for collagen biosynthesis and has the antiaging effect

Safety Information:

- Only for external use.

- Avoid making direct contact with your lips, mouth, nose, or eyes.
- A very small number of users of this product might experience a slight tingling; this should go away with continued use.
- If tingling gets worse, stop using and get medical attention.

Direction:

Step 1: Cleanse the face, then apply 4-5 drops of serum in the morning after cleansing and toning.

Step 2: Wait for the serum to be absorbed into the skin.

Step 3: Apply moisturizer and SPF.

How Supplied:

Vitamin C Brightening Serum 15% is provided in a 1 fl. oz. (30 mL) bottle with NDC 59088-237-03

Storage:

Keep out of direct sunlight.

KEEP THIS AND ALL MEDICATIONS OUT OF THE REACH OF CHILDREN.

Store at 20° to 25°C (68° to 77°F) [see USP Controlled Room Temperature]. Protect from freezing. Keep out of direct sunlight. Store in a dark, cool place.

This product may undergo a gradual color change to a brown hue as it ages. This change is a natural occurrence and does not affect the product's quality, safety, or effectiveness. The product remains safe for use within its specified shelf life.

Keep cap on tightly.
