

HOQU NAIL FUNGUS LIQUID- nail fungus liquid liquid
Shenzhen Suai Electronic Science & Technology Co., Ltd.

84095-001

Active Ingredient

chlorhexidine acetate 0.35%

Purpose

bacteriostatic, sterilizing.

Use

Use for fungal nail infections.

Warnings

For external use only

Do not use

It is prohibited for those who are allergic to this product and pregnant women, and should be used with caution on open wounds.

When Using

Do not put in eyes, If it accidentally gets into your eyes, rinse with water or seek medical advice. If irritation or rash occurs, discontinue use and ask a doctor. If swallowed, get medical help or contact a Poison Control Center immediately

Stop Use

Stop use and ask a doctor if irritation or rash occurs.

Ask Doctor

Do not put in eyes, If it accidentally gets into your eyes, rinse with water or seek medical advice. If irritation or rash occurs, discontinue use and ask a doctor. If swallowed, get medical help or contact a Poison Control Center immediately

Keep Out Of Reach Of Children

Please keep this product out of reach of children.

Directions

Apply this product to the desired nail area, 1-2 times a day. Keep using it. Avoid light, airtight, and store in a cool and dry place.

Inactive ingredients

borneol, Cnidium monnieri (L.) Cuss, CORTEX DICTAMNI, Impatiens balsamina L, Pseudolarix kamepferi Gord, Sophora flavescens Alt, water.
