Drug Facts

Drug Facts

Active Ingredient.....Purpose

Zinc Oxide 18.75%.....Sunscreen

Uses

- helps prevent sunburn
- if used as directed with other sun protection measures (see Directions), decreases the risk of skin cancer and early aging caused by the sun

Warnings

- **For external use only**
- **Do not use** on damaged or borken skin
- **When using this product** keep out of eyes. Rinse with water to remove
- **Stop use and ask a physician** if rash occurs
- **Keep out of reach of children.** If product is swallowed, get medical help or contact a Poison Control Center right away.

Directions

- apply liberally to face, neck, and ears
- use a water-resistant sunscreen if swimming or sweating
- reapply at least every two hours
- Sun Protection Measures. Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad-spectrum SPF of 15 or higher and other sun protection measures including:
 - limit time in the sun, especially from 10 a.m.-2 p.m.
 - wear long-sleeve shirts, pants, hats, and sunglasses
 - children under 6 months: Ask a physician
