

WALGREENS- hemorrhoidal cooling gel gel Walgreens

Walgreens® Hemorrhoidal Cooling Gel

Active ingredients

Phenylephrine HCl 0.25%

Witch hazel 50.0%

Purposes

Vasoconstrictor

Astringent

Uses

- helps relieve the local itching and discomfort associated with hemorrhoids
- temporary relief of irritation and burning
- temporarily shrinks hemorrhoidal tissue
- aids in protecting irritated anorectal areas

Warnings

For external use only

Ask a doctor before use if you have

- heart disease
- high blood pressure
- thyroid disease
- diabetes
- difficulty in urination due to enlargement of the prostate gland

Ask a doctor or pharmacist before use if you are

presently taking a prescription drug for high blood pressure or depression.

When using this product

- do not exceed the recommended daily dosage unless directed by a doctor
- do not put this product into the rectum by using fingers or any mechanical device or applicator
- in case of bleeding, consult a doctor promptly

Stop use and ask a doctor if

condition worsens or does not improve within 7 days

If pregnant or breast-feeding,
ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions:

- adults: when practical, cleanse the affected area by patting or blotting with an appropriate cleansing wipe. Gently dry by patting or blotting with a tissue or a soft cloth before applying gel.
- when first opening the tube, puncture foil seal with top end of cap
- apply externally to the affected area up to 4 times daily, especially at night, in the morning or after each bowel movement
- children under 12 years of age: ask a doctor

Other information

store at 20-25°C (68-77°F)

Inactive ingredients

aloe barbadensis leaf extract, EDTA, hydroxyethyl cellulose, methylparaben, polysorbate 80, propylene glycol, propylparaben, purified water, sodium citrate, sulisobenzone, vitamin E
