The Power of Allium Cepa

Allium can bring great relief for nasal issues including congestion, burning, and sneezing. It assists in drying up nasal watery discharge. Acts swiftly to relieve nose/throat irritation, related headaches, hacking coughs and hoarseness.

Echinacea Angustifolia

This coneflower offers immune support when fighting off inflammatory conditions, especially nasal stuffiness, congestion, or mucus discharge. As the condition mends, body weakness or headache tend to resolve as well.
