Drying Lotion

Active Ingredient

Sulfur Colloidal (10%)

Purpose

Topical Acne Treatment

Uses

- for the treatment of acne
- healing and drying acne breakouts
- helps clear acne pimples, blackheads or whiteheads and allows skin to heal
- penetrates pores to control acne blemishes
- helps keep skin clear of new acne pimples

Warnings

For external use only

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time.
If irritation occurs, only use one topical acne medication at a time.

Do Not Use

- on broken skin
- on large areas of the skin
- if pregnant or breast-feeding, ask a health professional before use.

When using this product

- apply only to areas with acne

Stop use and ask a doctor if

- excessive dryness or peeling occurs

Keep out of reach of children.

If swallowed get medical help or contact a Poison Control Center right away.

Directions

Do Not Shake

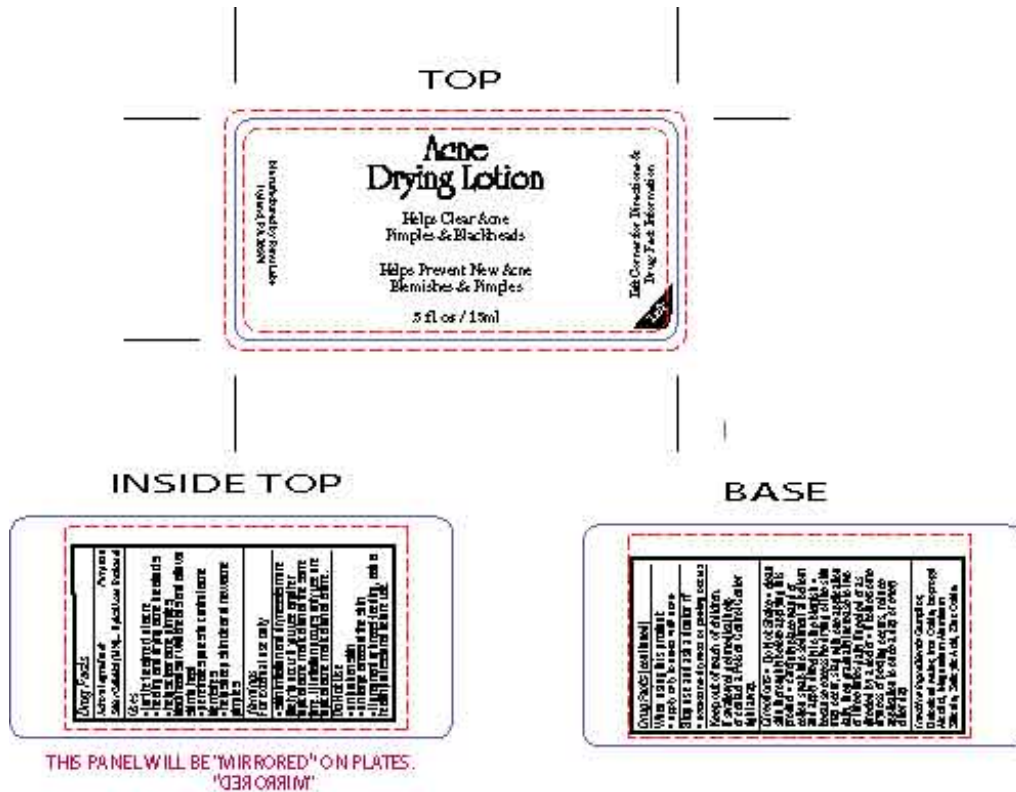

- clean skin thoroughly before applying this product
- carefully place wand or cotton swab into sediment at bottom and apply directly to the blemish
- because excessive drying of the skin may occur, start with one application daily, then

gradually increase to two or three times daily if needed or as directed by a doctor

- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Inactive ingredients

Camphor, Deionized water, Iron Oxide, Isopropyl Alcohol, Magnesium Aluminum Silicate, Salicylic Acid, Zinc Oxide.
