DENTAL HEALTH TIP - CHANGE YOUR TOOTHBURSH REGULARLY!!!
Dentists recommend changing your toothbrush every month. That is why White Glo includes a toothbrush with every pack! Weakened bristles results in brushing ineffectiveness and can cause plaque build-up and decay.

The White Glo Professional Choice premium fluoride enriched toothpaste offers maximum oral care hygiene. This potent formula was developed by White Glo's head of Dental Research, Dr. Georgios V. Sotiriopoulos, originally for people in the film industry who require utmost facial beautification.
